

A cute step-by-step guide on how to draw Marshmallow.

① Draw a Marshmallow's head by making a circular triangle shape and another bigger circular triangle shape for his body

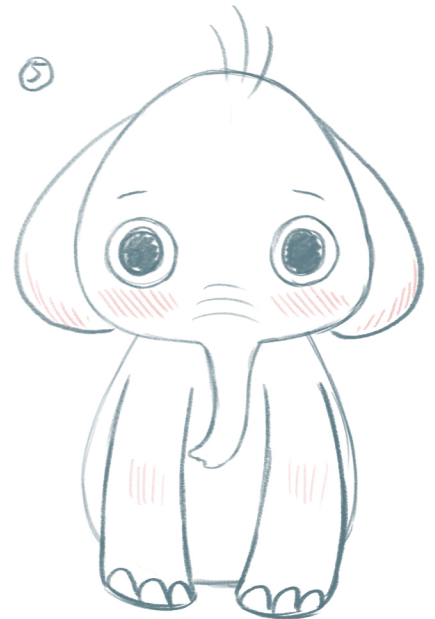

③ Draw two large circles for the eyes and two curved lines for the ears.

④ Draw three lines for his hair and a "J" shaped tube for his nose.

⑤ Draw two tube shapes for his legs and 3 small "n" shapes for his nails.

⑥ Finish the drawing, apply a small amount of pink blush to his face and skin.
